Dress with gathered skirt · doll 45 cm (made to measure)

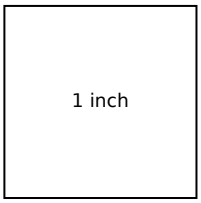

Overview · A4 tiles · 3 pages to print + this overview

Print at 100 % / "Actual size". Do NOT use "Fit to page".

Measure the control square before cutting.

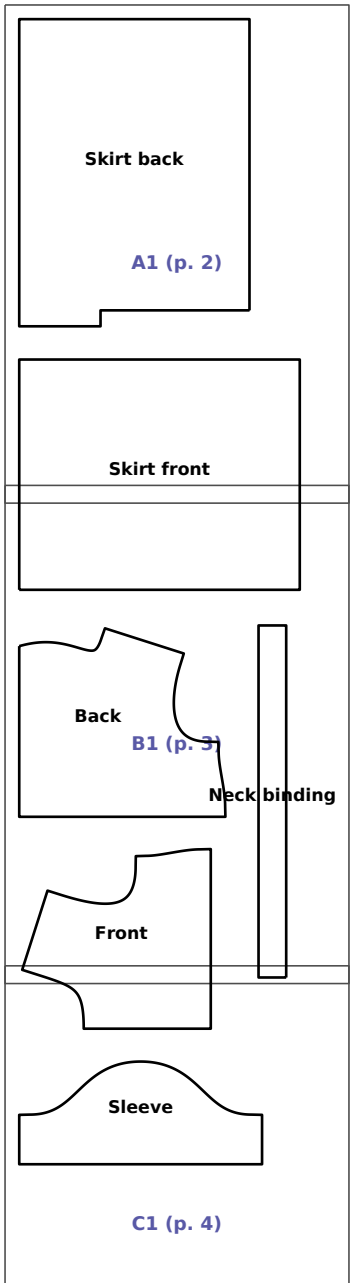

Original parametric draft. Sew a test garment the first time you use this pattern.

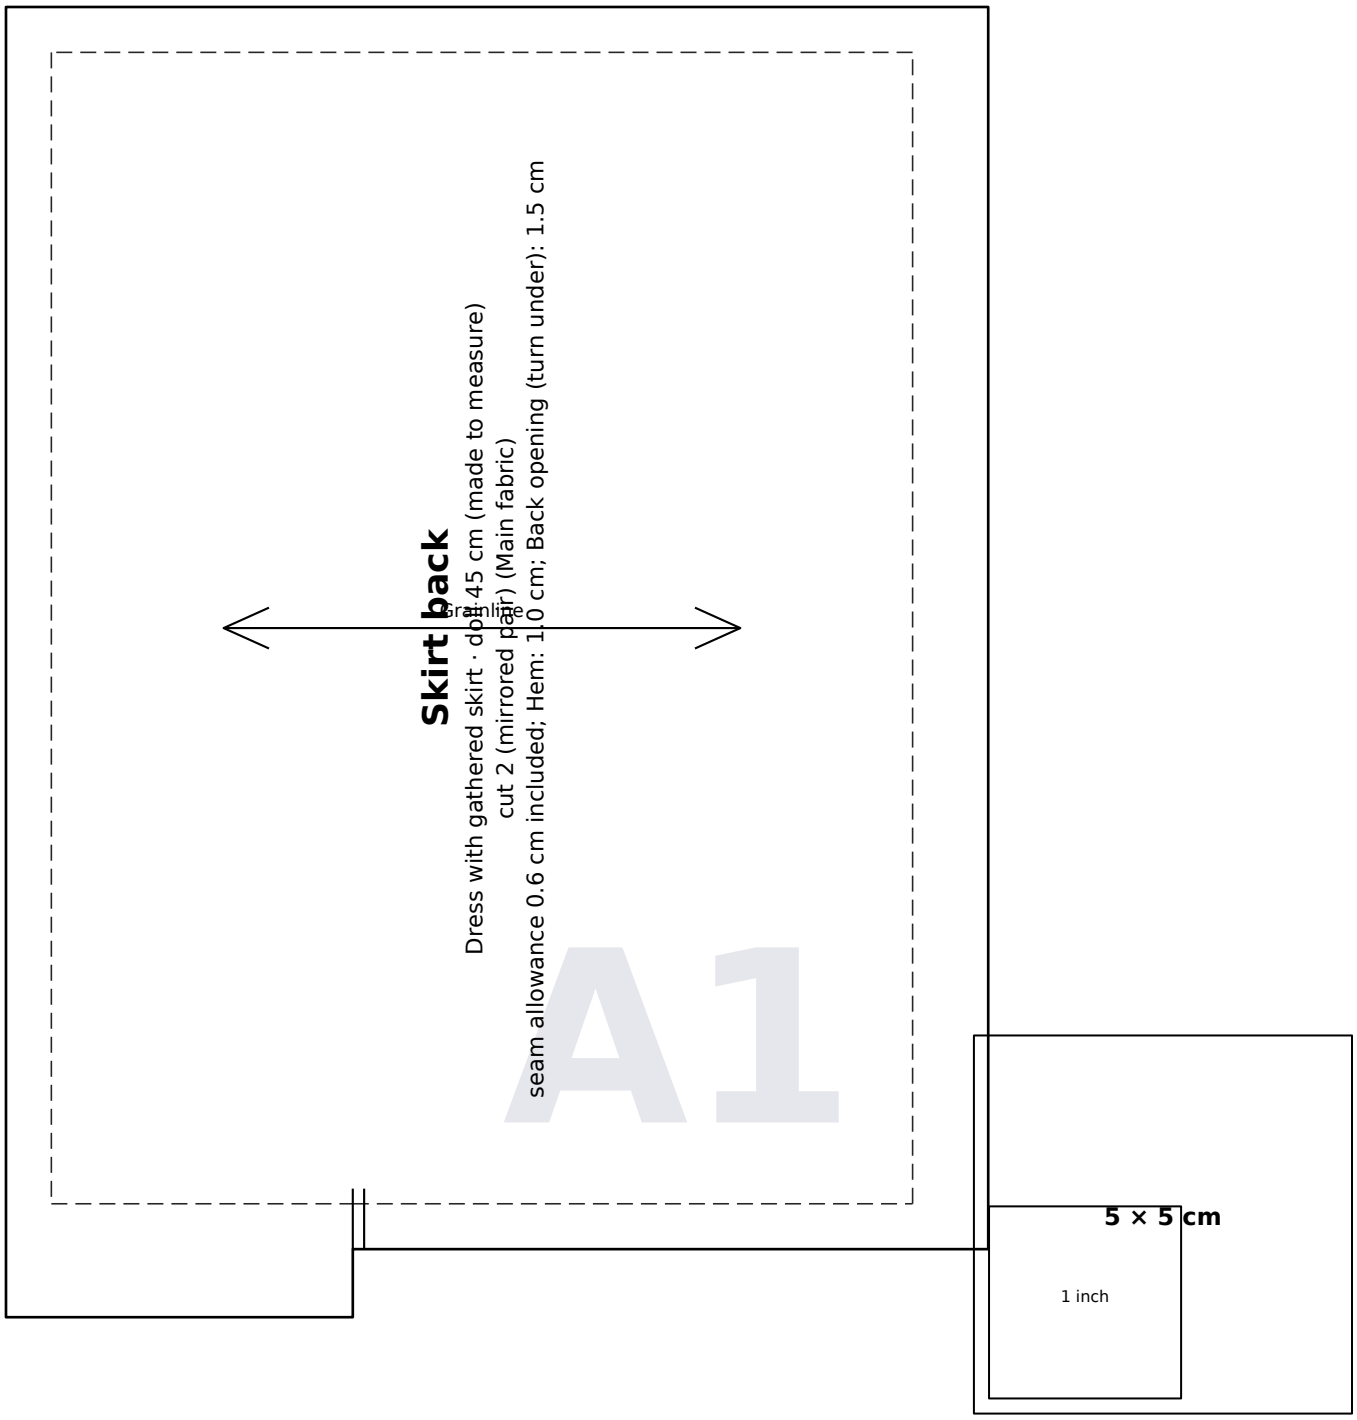

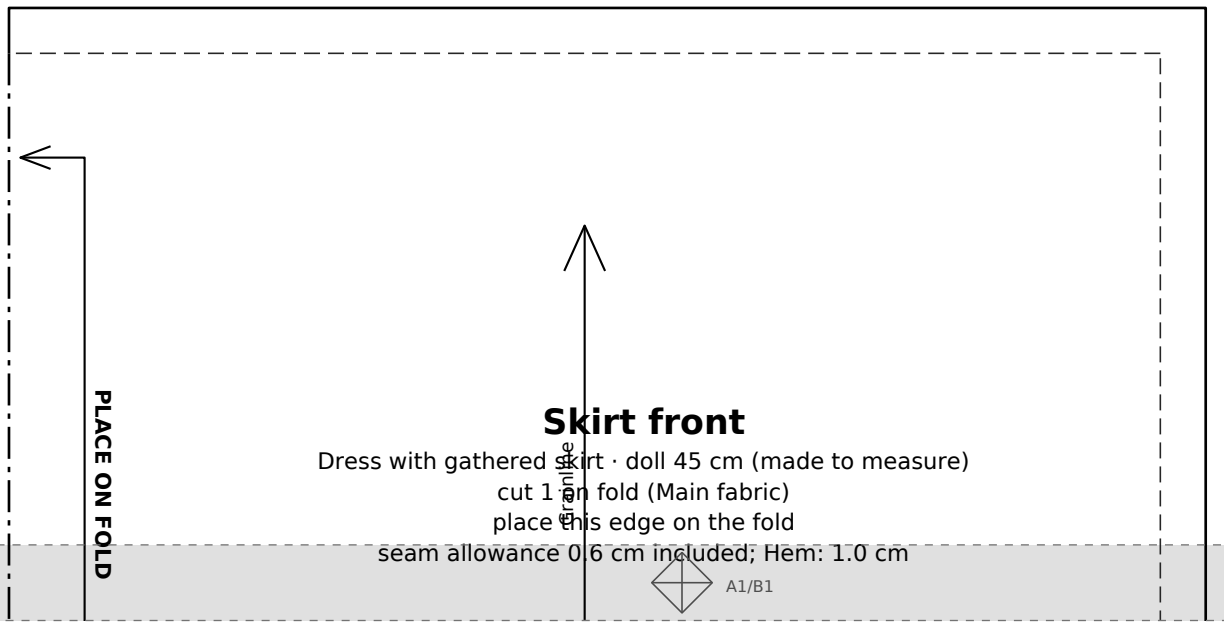

How to assemble:

1. Print all pages at 100 %. Measure the control square (5 × 5 cm).
2. On every page, trim the left and top margin along the dashed line.
3. Lay the pages onto the grey glue areas of their neighbours as in the plan below:
   diamonds and lines must match exactly. Then glue them down.
4. Cut the pieces out along the solid cutting line (seam allowance is included).
